

SAFEST

May 13, 2021

Dear Mr. Nixon:

Congratulations! LWCC is pleased to recognize Levingston Group, LLC with the **2020 LWCC Safest 70 Award**. As a loyal LWCC customer, this award acknowledges your leadership in providing your employees with a safe workplace and recognizes the effectiveness of your safety efforts.

LWCC is deeply committed to workplace safety. The Safest 70 Award program was established to show appreciation to our policyholders who share this commitment. Your agency, HUB International Midwest Ltd, and LWCC are proud of your work and will continue to recognize similar efforts in the future.

Since our inception, LWCC has remained Louisiana Loyal, a mantra and a movement that drives us to be a catalyst elevating Louisiana's position in America. Our mission is to better Louisiana one business and one worker at a time. Through your efforts, we are seeing our mission come alive and are watching Louisiana thrive.

Our efforts to promote workplace safety and reduce claims costs have resulted in lower rates for all of our customers. The Safest 70 Award recognizes your contribution to those efforts. Not only have you achieved a higher standard for your company, but also you have provided your employees with a culture of workplace safety. Your efforts benefit other policyholders, your industry, and the state of Louisiana.

We thank you for your business and pledge to continue working hard to be your workers' compensation carrier of choice.

Sincerely,
